

Beaver Coexistence Incentive Program Application for Reimbursement

1. Complete this form and provide the following documentation:

- A signed W-9 (we can send you a blank form on request)
- Copies of all receipts for supplies purchased within the calendar year
- Photos of the completed project

NOTE: *Flow device projects (pond levelers and culvert protectors) must be preapproved by Defenders of Wildlife to ensure that your materials and design qualify for reimbursement. In Colorado and Wyoming, email ahall@defenders.org or call (720) 943-4581. In New Mexico, email southwest@defenders.org or call (505) 395-7330.*
