

# Will America's Wildlife Heritage Survive the Bush Years?

**Endangered law: Bush rule change ignores science — again**

*-Salt Lake Tribune*

**Lame ducks shouldn't mess with rarer species**

*-Detroit Free Press*

**Interior Department should drop plans to ease rules that protect species**

*-Idaho Statesman*

**Bush aims to rewrite rules for endangered species**

*-Anchorage Daily News*

**Protect Endangered Species**

*-Las Vegas Sun*

**One More Endangered Species**

Sacrificing science on the altar of willful ignorance threatens more than an environmental law; it threatens we the people

*-The Oregonian*

**Don't change the ESA through the back door**

*-Jackson Hole Star-Tribune*

**Now it's the act that's endangered**

*-Roanoke Times*

**Endangered species law in danger from Bush**

*-San Francisco Chronicle*

**Endangered Species Act endangered**

*-The Daily Review (Towanda, PA)*

**Bush administration goes too far on Endangered Species Act**

*-Rocky Mountain News*

**Protect nature  
Don't sabotage law**

*-Charleston Gazette (WV)*

Americans from all corners of the country support important wildlife protections.

**Congress should stop the Bush administration's last ditch efforts to undermine the Endangered Species Act.**
